## WHAT CLIENTS SAY ABOUT FARHAN QAZI

Reliable, straightforward and far-reaching, Farhan is a standout amongst all other mindset coaches and HR experts I have worked with. He has a pleasant personality that makes him exceptionally simple to work with. I am constantly dazzled with his capacity to streamline his association's necessities into highlights that all partners can comprehend. He expertly keeps them all drew in, conveying huge activities on-schedule, without fail. Farhan is extremely energetic about building up his team and partners. I have seen him mentor and enable them so they sprout into strong and delivering professionals. Their increasingly stellar performance is evidence of his people management skills. It's consistently a delight to work with him.

### **IRFAN MIRZA**

*Business Unit Head - L'Oréal Cosmetics Division*

Farhan and I worked together in OCS, M&P and TCS; and found him instrumental in his field of HR irrespective of the titles he served. He was responsive in queries and having good negotiation skills that helped me to design the overall Customer Service Structural curriculum. He pays attention to every detail in any employee and ensures to chalk out a career path for all skill sets. I wish him best of luck going forward and I'm quite confident that he will contribute significantly everywhere.

### **HINA GHUFRAN MASOOD**

*National Manager Customer Service & Learning and Development - M&P Express Logistics*

It's my honor and privilege to recommend Muhammad Farhan for his insights and contributions to various projects that we did with him. He has a remarkable balance of analytical and people skills. His command on individual and corporate performance systems is unmatched. I am grateful to him for adding value to our programs.

**SOHAIL RIZVI**

*CEO - Institute of Knowledge and Leadership – IKL*

I have had the chance to work with Muhammad Farhan on an HR project and notice his intensive experience and knowledge in HR different aspects, Multicultural orientation and Organization Development! A professional HR gentleman.

**DIANA M. BEJJANI**

*Human Resource Manager - FortNine*

Farhan brings foresightedness in HR. Also he has this passion for acquiring knowledge and what sets him apart is his relentless pursuit of helping people around him to be better in their careers. I am of the view that his command over his subjects in the HR puts him among the finest people in the industry.
